Relationship transgressions and trait narcissism: Responding to one's own wrongdoing. Poster Presentation at the annual meeting of the Midwestern Psychological Association in Chicago, IL.

Lentz, C., Lundholm, E., Neff, A., Siemsen, C., Alicea, A.,... Hermann, A.D. (2016, May). Slamming the door-in-the-face of narcissists: Individual differences

and the efficacy of a common compliance technique. Poster presentation at the annual meeting of the Midwestern Psychological Association in Chicago, IL.

RESEARCH EXPERIENCE

Anxiety, Psychophysiology, and Pain (APP) Lab

June 2018 - Present

Faculty Supervisor: Daniel W. McNeil, Ph.D., Department of Psychology;
Department of Dental Practice & Rural Health, West Virginia University

- Analyzes archival datasets.
- Contributes to research development and execution.
- Assists in writing and editing of manuscripts.

“Worrying about someone else instead: The effects of helping on anxiety”

Honor’s Thesis

January 2017 - May 2018

Faculty Supervisors: Anthony D. Hermann, Ph.D. & Amy K. Bacon, Ph.D.,
Department of Psychology, Bradley University

- Developed and constructed a hypothesis based on previous research.
- Reviewed and acquired relevant literature in order to construct a literature review.
- Created an efficient method to test the hypothesis.
- Utilized Amazon’s Mechanical Turk in order to recruit 403 participants and collect data.
- Produced a survey using Qualtrics software.
- Analyzed data and create verbal and visual data reports using SPSS software.
- Collaborating with faculty mentors to produce a manuscript for publication.
- Hypotheses and Methods pre-registered at: <https://osf.io/vg9k7/>

Social, Emotion, and Alcohol (SEA) Lab

August 2016 - January 2018

Faculty Supervisor: Amy K. Bacon, Ph.D., Department of Psychology, Bradley University

- Trained in brief clinical interviewing, screening processes, and alcohol administration research protocol.
- Ran procedures such as medical screening, breathalyzer testing, and timeline follow-back interviewing.

- Coded and analyzed data using SPSS software.
- Developed a clear and concise presentation of a project and results.

“Relationship transgressions and trait narcissism: Responding to one’s own wrongdoing”

Summer 2016

Faculty Supervisor: Anthony D. Hermann, Ph.D., Department of Psychology, Bradley University

- Mentored 2 high school students in the development of a hypothesis and the scientific method via the CREST Program.
- Instructed students in use of Qualtrics software create surveys.
- Instructed students on how to use SPSS for statistical procedures and visual representations of data.
- Worked with students to develop understanding about how statistical results relate back to initial hypotheses and real world application of statistics.
- Collaborated with high school students and faculty to author a poster on Narcissism and Interpersonal Transgressions.

“What should we hope for? An investigation into the factors that influence usage of hope”

Summer 2016

Faculty supervisor: Derek E. Montgomery, Ph.D., Department of Psychology, Bradley University

- Utilized previous research literature to develop and test a hypothesis regarding the mechanisms that illicit hope in adults.
- Collected and analyzed data using Amazon’s Mechanical Turk and the JASP statistical software.
- Assisted on a project looking at curiosity in children ages 4 through 9 years of age: tested participants in a children’s museum and coded behavioral data using the BORIS coding software.
- Assisted in production of Racine Fund application and received financial award.

Self and Social Behavior Lab

September 2014 - May 2018

Faculty Supervisor: Anthony D. Hermann, Ph.D., Department of Psychology, Bradley University

- Collaborated with faculty and student researchers to construct a hypothesis and accurate method for testing.
- Worked as a confederate.
- Lead data collection sessions including collaboration with confederates and other researchers as well as preparing the lab and debriefing participants.
- Collected and analyzed data to prepare a poster presentation for spring Midwestern Psychological Association gathering.

CLINICAL EXPERIENCE

Student Therapist

August 2018 - Present

Quinn Curtis Center, Morgantown WV

Supervisor: Daniel W. McNeil, Ph.D.

- Conducts patient intake.
- Executes empirically-supported treatments such as cognitive-behavioral therapy and acceptance and commitment therapy.
- Contributes to case conceptualization.
- Performs assessments such as the Beck Depression Inventory.

Clinical Observation

Center for Therapeutic Services and Psychodiagnostics, McHenry IL

Hours spent in observation: 90

In-person observation of therapy sessions including individuals that suffered from the following: Anxiety, Obsessive Compulsive Disorder, Major Depression, Autism Spectrum Disorder, Attention Deficit Hyperactivity Disorder, anger management deficits, Borderline Personality Disorder, and Bipolar Disorder.

- Observed coding and interpretation of results of MMPI-2 assessment with supervising psychologist.
- Observed grief counseling, hypnotherapy, criminal rehabilitation therapy, family therapy, behavioral therapy, and occupational therapy for individuals with Autism Spectrum Disorder.
- Assisted in administration of TOVA test for attention disorders.
- Reviewed materials used in treatment of anxiety, Obsessive Compulsive Disorder, and depression.
- Ethics training (reviewed and discussed HIPAA rules and policies for engaging and interacting with patients)
- Participated in discussion about the proper course of treatment for clients.

INTERNSHIP EXPERIENCE

Human Resources Intern

January 2016 - October 2017

Aramark Corporation, Peoria IL

- Monitored and transmitted payroll for student employees on a bi-weekly basis.
- Assisted with and conducted interviews for potential employees.
- Disciplined, hired, and terminated student employees.
- Produced and gave presentations to student employees and managers regarding company policy.

TEACHING EXPERIENCE

Graduate Teaching Assistant, Introduction to Psychology

August 2018 - May 2019

West Virginia University Department of Psychology, Supervisor: Constance Toffle, Ph.D.

- Lecture on course content
- Assist students in preparing for exams
- Monitor student exams
- Grade student activities
- Develop meaningful discussion questions and active learning activities

Teaching Assistant, Health Psychology

January 2018 - May 2018

Bradley University Department of Psychology, Instructor: Dawn C. Roberts, Ph.D.

- Coordinated activities for students to apply classroom knowledge.
- Read and provided feedback on student scientific writing.
- Assisted students in test preparation.
- Average of 5 hours/week

Teaching Assistant, Introductory Psychology

August 2015 - January 2017

Bradley University Department of Psychology

- Scored and proctored student quizzes and tests.
- Submitted and organized student quiz scores, test scores, and extra credit points using Microsoft Excel and Bradley University SAKAI (grading report system).

- Spent time with students in a one-on-one setting in order to insure understanding of chapter concepts.
- Held study sessions preceding quizzes and exams to review chapter materials with students in a classroom setting.
- Average of 3 hours/week

Teaching Assistant, Psychology Research Methods

January 2016 – May 2016

Bradley University Department of Psychology, Instructor: Derek E. Montgomery, Ph.D.

- Instructed students on statistical procedures during class and outside of class if necessary.
- Assisted students outside of class on APA style writing, statistical procedures, and lecture content.
- Read and provided feedback on student scientific writing.
- Average of 12 hours/week

REVIEWS

Journal of Psychiatric Research

- Ad-hoc graduate student reviewer (Fall 2018)

Community Dental Health

- Ad-hoc graduate student reviewer (Fall 2018)

HONORS AND AWARDS

2018 Outstanding Senior in Psychology

2018 Phi Kappa Phi Bradley University Academic Hall of Fame
